GREATER HOUSTON HUNTER JUMPER ASSOCIATION

Rules and Regulations - December 1, 2017

Note: New and changed rules are in red and bold italics.

Section I - Organization/Entity

Article 100. Follow USEF Rules.

The Greater Houston Hunter Jumper Association ("GHHJA") shall generally be governed by the rules and regulations of the United States Equestrian Federation ("USEF"). However, GHHJA may adopt specific rules and regulations knowingly in conflict with those of USEF. Such conflicting rules and regulations may include, but are not limited to, heights of fences, minimum distances between jumps, or the like.

Article 101. GHHJA Show Year.

The annual GHHJA show year begins December 1st and extends through November 30th of the next calendar year. For example, the show year December 1, 1999 – November 30, 2000 is called "the 2000 show year."

Article 102. Board of Directors.

The board of directors will be elected by the senior membership. The board will be a rotating body with two-year terms. A board member may serve no more than two (2) consecutive two-year terms. Those board members who have served two two-year terms may re-run for the board of directors after a one-year or more absence from the Board. The board members will elect a President, Vice-President, Secretary, and Treasurer. The primary purpose of the board of directors is to make sure that the organization's rules and regulations are followed and to make any decisions regarding these rules and regulations. The board will determine any disciplinary action taken against exhibitors, trainers, show managers, and show applicants. If the board votes to join other organizations (such as Greater Houston Horse Council), an official representative, if required, will be selected by a vote of the board. See previous page for current Board of Directors.

Article 103. Board Member Requirements.

GHHJA board members must be current senior members in good standing of both GHHJA and USEF as of January 1 of each show year they serve on the board.

Article 104. Barn Representation on Board.

No more than two (2) individuals with the same barn affiliation may serve as board members at the same time.

Article 105. Meetings.

Board meetings are held ten (10) times per year on the first Monday of the month. Meetings are open, and the Board welcomes the general membership to attend. The first general meeting of the show year is to be held in December. A show applicant/managers meeting will be held one time per year prior to the first scheduled show. If necessary, an additional meeting may be required for show applicants and managers. Please call the President if you care to address the board members prior to all board meetings.

Article 106. Rule Change Requirements.

All approved rule changes with the exception of changes due to emergency situations, will take effect during the following show year. (For example, rules voted on in 2011 will take effect during the 2012 show year).

Rule changes are voted on by current year board members.

Rule change proposal deadline will be on or before September 1st of each year.

Section II - Membership, Horse/Pony Registration, and Pony Measurement

Article 200. Membership Fees.

To participate in the benefits offered by the Greater Houston Hunter Jumper Association, individuals must be members in good standing. Membership in GHHJA is obtained on an annual basis (except life memberships) by completing and returning a membership application, accompanied by membership fees as follows:

Life Membership (no minimum age)	<u>\$275.00</u>
<u>Annual</u> Senior Membership (age 18 or older)	<u>\$ 45.00</u>
<u>Annual</u> Junior Membership (under age 18)	<u>\$ 40.00</u>
<u>Annual</u> Owner/Parent/Other (age 18 older)	<u>\$ 35.00</u>
<u>Professional</u> (18 and over as of 12/1/2016)	<u>\$ 45.00</u>

Membership applications and fees may be mailed to the GHHJA Membership Secretary or turned in to any GHHJA Horse Show Office. Membership fees must be paid by check or money order only. No cash can be accepted. Membership dues are non-refundable.

Article 201. Membership Term.

Membership (except Life Membership) expires each year at the end of the show year, regardless of application date.

Article 202. Rider, Owner, and Trainer Membership Requirements.

1. Riders competing for year-end awards in medal classes, equitation classes, and/or achievement certificate divisions and their trainers must be members in good standing at the time of competition. Membership is not required for owners of horses/ponies ridden in these classes or divisions.
2. Owners and trainers of horses/ponies competing for year-end hunter or jumper division awards must be members in good standing at the time of competition. Membership is not required for riders of these entries (non-member rider fees apply).

Article 203. Proof of Membership.

1. At shows, a member who is not on the membership list and cannot show proof of membership to the show secretary must sign an affidavit stating that membership is pending.
2. Persons who sign an affidavit falsely may be required to pay non-member fees and/or fines, and any points awarded on the basis of pending membership will be taken away.
3. Failure to pay assessed non-member fees and/or fines will place the person "not in good standing" with GHHJA, and that person will not be allowed to participate at shows recognized by GHHJA.

Article 204. Horse/Pony Registration Requirements.

1. Horses and ponies must be registered with GHHJA to accumulate points toward year-end hunter or jumper division awards.
2. Horses/ponies ridden in equitation medal classes, equitation divisions, and/or achievement certificate divisions need not be registered.
3. Two categories of registration are available: Lifetime and Annual.
4. Duplicate horse/pony names are not allowed. Before submitting a horse/pony registration application, the owner must first check the current registration list to avoid name duplication.

Article 205. Horse/Pony Registration Fees.

Registration is obtained by completing and returning a horse/pony registration form, accompanied by the appropriate registration fee as follows:

Lifetime registration	<u>\$45.00</u>
Annual registration	<u>\$15.00</u>

Horse/pony registration forms and fees may be mailed to the GHHJA Membership Secretary or turned in to any GHHJA Horse Show Office. Registration fees must be paid by check or money order only. No cash can be accepted.

Article 206. School Horse Registration.

Stables may register school horses for year-end award eligibility up to a maximum of \$75.00 per year. Additional school horses may be registered during the year for no additional fee. This type of registration is considered to be a lifetime registration. Horses/ponies registered in this category prior to 2000 are considered to have lifetime registrations.

Article 207. Lifetime Registration.

A horse/pony lifetime registration does not expire. All horses/ponies registered before 2000 have lifetime registrations. Beginning in 2000, horses/ponies with lifetime registrations do not re-register each year.

Article 208. Proof of Lifetime Registration May Be Required.

If a horse/pony having a lifetime registration did not earn any points the previous show year, the owner may be required to provide proof of registration to the GHHJA Membership Secretary. If the owner cannot show proof of registration, the animal in question is considered to be unregistered, and the owner must complete and return a new registration form, accompanied by the appropriate fees. A member who intends to show a registered horse or pony not actively shown the previous year should contact the GHHJA Membership Secretary prior to showing to determine the animal's registration status, and to ensure points earned will be properly credited.

Article 209. Annual Horse/Pony Registration.

Annual type horse/pony registration expires each year at the end of the show year, regardless of application date. The horse/pony is then considered to be unregistered until the owner completes and returns a new registration form, accompanied by the appropriate fee.

Article 210. Transfer of Ownership.

To document transfer of ownership of a horse or pony, the new owner should complete and return a horse/pony registration form, accompanied by \$5.00 transfer fee. In order to accumulate year-end points, rider names, horse names, and owner names must be registered exactly as shown on horse show entry forms. Horse/pony registration or transfer forms and fees must be mailed to the GHHJA Membership Secretary or turned in to any GHHJA Horse Show Office.

Article 211. Horse/Pony Name Change.

1. When the owner changes the name of a horse or pony, the owner must notify the GHHJA Membership/Points Secretary in writing in order for any points accumulated to be transferred to the new name. The GHHJA horse/pony registration form can be used for this purpose, and it may be mailed to the Membership/Points Secretary, or turned in at any GHHJA Horse Show Office.
2. There is no fee for horse/pony name changes.
3. Duplicate horse/pony names are not allowed. Before submitting a horse/pony name change, the owner must first check the current registration list to avoid name duplication.

Article 212. Pony Measurement.

The GHHJA membership secretary must have a copy of a pony's current measurement card for that pony to receive points for year-end awards.

1. A pony without a USEF Pony Measurement Card must be measured by a current USEF Steward for a GHHJA Pony Measurement Card. The cost of the card is \$10.00, payable to the Steward. GHHJA will make arrangements to have a Steward available at the shows at regular intervals throughout the year. Steward availability will be published in prize lists and/or the GHHJA newsletter.
2. If a pony is measured after showing, and does not measure within the height requirements of the division in which it showed, the pony will lose all prior points. A pony less than six years of age will retain its measurement card for the entire show year, regardless of any change in height.
3. Ponies under the age of six must be measured each show year until they reach age six.
4. The measurement card must be sent to the Membership Secretary no later than November 30 for the current year's points to count.
5. The Membership Secretary will keep a permanent file of pony measurement cards received.

Article 213. Use Correct Membership and Horse/Pony Registration Names.

In order to accumulate year-end points, member names and horse/pony names must be submitted to GHHJA exactly as those used on horse show entry forms.

Article 214. Use Membership/Registration Numbers.

GHHJA membership numbers and horse/pony registration numbers must be included on horse show entry forms. The show secretary may reject any entry without membership/registration numbers. If GHHJA membership numbers and horse registration numbers are not on an entry form, points toward year-end awards will not be counted.

Article 215 Non-Member Participation.

1. Non-member riders and trainers may participate at GHHJA recognized shows after paying a non-member fee of \$12.00 per show to the show's secretary. This fee is charged per individual, not per entry; payment allows the person to compete as rider, trainer, or both.
2. Non-members competing only in Lead line are exempt from paying non-member fees.

Article 216. Non-Member Credit Voucher.

The non-member may request a credit voucher from the show secretary documenting payment of non-member fees. The non-member may apply the fee toward membership dues by attaching the voucher to the membership application. A horse show receipt which specifies non-member fees have been paid is also acceptable. It is the sole responsibility of the non-member to keep a copy of the voucher. Non-member credit vouchers expire at the end of the show year.

Article 217. Change of Membership Information.

Changes in a member's name, address, telephone, etc., or corrections should be sent to the Membership/Points Secretary. Change of address forms are available in the office at horse shows, or via information in the GHHJA newsletter.
